RESEARCH PROJECT

Presentation of the research project in a field related to mining (refer to the scholarships section of the AMQ website at www.amq-inc.com for the list of eligibility criteria). Additionally, demonstrate collaboration or involvement with the mining industry during the research.

CAREER OBJECTIVE

Summary of career plan (attach all additional documents and information as an appendix).

DOCUMENTS TO ATTACH TO THE REQUEST

1. Letter of presentation of the scholarship application.
2. Most recent transcript.
3. Two letters of support. These letters must include the contact information of the signatories.
4. Proof of citizenship or landed immigrant status.
5. Any other relevant document.

CERTIFICATE

I certify that the information provided is correct and complete. If the Québec Mining Association grants me a scholarship, I agree that my name and the amount received will be published:

Signature : _____

Date : _____

RELEVANT INFORMATIONS FOR SENDING APPLICATIONS

Deadline for receipt of applications: December 4, 2026

Envoi par courriel / Sent to : mcantin@amq-inc.com

By submitting their application, the student accepts that the QMA uses the information, photos or other elements for the purposes of promoting the mining industry and careers in the mining sector or for any other cause deemed relevant.
